

FIND OUT MORE ABOUT THE LIGHTNING PROCESS

Designer of the Lightning Process (LP), Phil Parker is coming to New Zealand in September 2017. Come along to a free talk to find out more about the LP for yourself, family, friends or your patients.

Run in 4 different locations around New Zealand, this talk is a chance to:

- Explore the theories and science behind the LP
- Learn how to use your brain differently to make changes in your life and health
- Gain skills that will revolutionise your use of language
- Find out more about the exciting concept of Neuroplasticity
- Have your questions answered by Phil Parker
